What Threatens Your Powersport Unit?*

Adrenaline should come from your own adventures, not from the realization your powersport unit has been stolen. Let **iA American Ultimate Powersport Theft Protection** keep you from becoming a statistic. Whether on water, terrain, or snow, know your powersport unit is protected.

PROTECT YOUR WALLET:

\$5000 Set Cash Payment: If your unit is stolen, not recovered within 30 days, and deemed a total loss by your insurance company, you will be paid the benefit amount shown on your warranty or the NADA "clean trade-in value" of the unit at the time of loss, whichever is less.

\$1000 Insurance Deductible Reimbursement: If your unit is stolen and recovered within 30 days, but not deemed a total loss, you will be reimbursed for either the cost or repair, or your insurance deductible, whichever is less.

INCREASED RESALE VALUE:

Your Coverage Can Be Transferred: Your Ultimate Powersport Protection is transferable. If you decide to sell your unit, the new owner can enjoy the benefit of added security, and you may enjoy the benefit of increased resale value.

ADDITIONAL BENEFITS:

Powersport Replacement Rebate: In the event your Powersport is stolen and deemed a total loss as a result of theft, you will be given an additional **\$2,000** if you purchase a replacement Powersport from the selling company.

Vehicle Rental Reimbursement: If your unit is stolen and deemed a total loss, you will be reimbursed for your rental expenses, not to exceed \$525.

Trip Interruption Reimbursement: If your unit is stolen while you are more than 100 miles away from your permanent residence, you will be reimbursed for lodging and meal expenses for a maximum of 5 days, not to exceed \$750.

Airfare Reimbursement: If your Powersport is stolen while you are more than 500 miles away from your permanent residence, you will be reimbursed up to \$500 for the necessary airfare to return to your residence.
